FaceBook was initially and still is being funded by our government and is used to create a database for facial recognition software that will later be used to identify YOU if you are ever caught on camera during a terrorist attack or crime! They needed to link your face to your name, address of where you live, your employer, schools you went to, all of your friends and relatives, and know the names of your children and how many you have, know your likes and dislikes, follow your comments to build psychological and behavioral profiles. FB has done this to over 500 Million people who have become subscribers so far. Wake up people you are just sheep and slaves to the wealthy elite.

Google is used to keep a log of everything you have ever searched for or looked up on the Internet and keeps track and permanent record of all your gmail email messages, certain keywords trigger systems that will rank your activity as a possible threat and for further investigation.

YouTube is also linked in this database that will keep track of your comments, video's you upload, videos you favorite and pass to others. Your personal information is permanently stored on their servers.

Congress and the Senate, except for Ron Paul, ALL need to be thrown out of office then investigated for TREASON against America.

Why aren't the 9/11 Truthers presenting this evidence that Israeli Mossad agents carried out the attacks on 9/11? We believe they were created to hide these facts and misrepresent evidence so the media would have an easy time making truthers look like idiots so that American's wouldn't believe the truth when it would actually come to light.

Jennifer Grey Brother Nathanael Kapner – Reclaiming Americas Christian Heritage & Exposing Zionist Marxist Threat

<http://www.youtube.com/watch?v=NouRFLdo0A0>

Every Christian American knows our country has been heading in the wrong direction for the last 30 years. Christians are openly ridiculed and attacked by the Zionist Jewish media, The Jewish run Department of Education has destroyed our public schools system by removing GOD and the Bible, The Jews have stolen your wealth through their criminal banking system yet go unpunished. The jews in Congress like Joe Lieberman pass more draconian laws to take away your childrens Liberty and Freedom. While other jews passed Health Care then openly lied about it like Congressman Weiner and Wasserman.

Open your eyes to the truth that the reason America has been heading in the wrong direction is because Zionist jews have infiltrated our government, news media, and Wall Street and have used them to attack and try to destroy Christianity in America and steal your money through out of control spending and higher taxation, and bank fraud.

Bush Sr., Bush Jr, Clinton, and Obama are ALL Zionist Puppets! The Zionist AIPAC Lobby OWNS Congress and the Senate! We need billboards going up of Obama not only as a "Communist" but as a "AIPAC Zionist Jewish controlled Puppet"!

This November every American must take their blinders off to the Zionist jewish tyranny that is now in our country and VOTE out every jew that is in office and VOTE out every person who supports Israels interests over American interests.

Anthony Russo ATTENTION to all patriots and entrepreneurs who understand the importance of the political fight to our businesses and our lives... the Cap & Trade bill will effectively cripple our businesses, and politicians who would embrace and advance it MUST BE ENGAGED & STOPPED BY US. Tea Party to Obama, get out of the way on oil spill - Pittsburgh Tea Party Examiner

www.examiner.com

The President is showing again why there is a need for a Tea Party in America. Following his growing trend of incompetence, Mr. Obama has used the terrible disaster on the BP oil rig platform as his own personal platform to blame everybody, from the Tea Party to former President Bush. The Tea Party'...

Andrew Criscione Time is money. If you spend your time on someone, i.e. a lover, then it's a beautiful human relationship that should be free from government interference, according to the left. If you spend your money on someone, i.e. an employee, then it's an exploitative human relationship that needs to get the sh*t regulated out of it, according to the left.

Andrew Criscione Scientists in countries without high levels of Kennedys are much more skeptical of anthropogenic global warming: 3 out of Japan's 5 leading climate scientists have not been sold on it.* But "At the Live Earth concert in New Jersey last month, Robert F. Kennedy Jr.

denounced climate-change skeptics as "corporate toadies..."
